Last night I said these words to my girl
I know you never even try girl

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

You don't need me to show the way, love
Why do I always have to say, love

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

I don't want to sound complaining
But you know there's always rain in my heart (in my heart)
I do all the pleasing with you
It's so hard to reason with you
Whoa, yeah, why do you make me blue?

Last night I said these words to my girl
I know you never even try, girl

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

Whoa yeah, like I please you
Whoa yeah, like I please you

Last night I said these words to my girl
I know you never even try girl

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

You don't need me to show the way, love
Why do I always have to say, love

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

I don't want to sound complaining
But you know there's always rain in my heart (in my heart)
I do all the pleasing with you
It's so hard to reason with you
Whoa, yeah, why do you make me blue?

Last night I said these words to my girl
I know you never even try, girl

Come on (come on)
Come on (come on)
Come on (come on)
Come on (come on)
Please, please me, whoa, yeah, like I please you

Whoa yeah, like I please you
Whoa yeah, like I please you
